

YEAR IN REVIEW

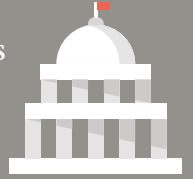

2017 VICTORIES AND ACCOMPLISHMENTS

3,300+

dentists are members of the CDA. That means almost 3 out of every 4 Colorado dentists are CDA members!

190

is the 2017 Senate bill that forced dental plans to stop dictating fees for non-covered services.

2,062

people follow the CDA's social media.

22

CDA events were offered statewide for networking, mentoring, practice management and fun.

13

dental board meetings were attended by the CDA to represent the profession.

1M

ada.org/FAD5mins

visitors have used ADA Find a Dentist. Update your profile so patients find you!

\$25,816

is how much the CDA Foundation donated in 2017 to dental non-profits, serving over 20 Colorado counties.

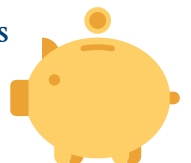

85

state bills with potential effects on dentistry were monitored in 2017 by the CDA government relations team.

21

companies are endorsed by the CDA and provide exclusive discounts to members.

cdaonline.org/cdae

20,435

people visit cdaonline.org every month for dental information, for practice resources and to find a dentist.

2

female presidents have taken the helm of the CDA, including current president Dr. Carol Morrow.

BY THE NUMBERS

KEEP THESE IMPORTANT FIGURES HANDY IN YOUR OFFICE

30

CE credit hours (CERP, AGD, AMA) must be completed each 2-year licensure cycle (16 must be clinical).

7

years is how long patient records must be retained (or 7 years after a minor turns 18 years old).

2018

is a license renewal year for dentists and hygienists. The deadline to renew is Feb. 28. Renewals start mid-January.

\$1,800

is how much CDA members can save each year by using just a handful of the CDA's endorsed companies.

2

years is how long most CPR and BLS certifications last.

8,909'

above sea level is where you'll find the 2018 CDA Annual Session - June 8-10 in Crested Butte, CO.

3

years is how often x-ray equipment must be evaluated by a CDPHE-certified inspector.

1

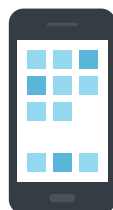

year is how often dentists must renew their x-ray facility registration with CDPHE.

15

of dentists' top procedures and their "cash pay" fees must be disclosed by their offices, effective Jan. 1, 2018.

303-740-6900

is the CDA hotline for members to get answers to their practice questions.

1

AED is needed onsite if your office provides anesthesia services that require a permit.
